The loresho greens apartments are much more than bricks and concrete. Our aim is to provide you a wide choice of outstanding finishing home with style and characters backed by top levels service that you always expect from the apartments. Once you made up your mind, you will step into a new world of quality and style.

The project is developed by Gitere Kahura Investments in collaboration with world class construction team to achieve multifunctional residential apartment.

It is located in Loresho, off Waiyaki way. To the north lies the glorious romance and serenity of Loresho greenary, it also the most beautiful neighborhood in Nairobi. To the South is Waiyaki way, to provide you convenience transportation to reach to any destination within shortest time.

The whole concept design adopt Nordic style. The apartment facade uses top quality materials to present classicism and minimalism. The apartments have been designed into 15 blocks with wide clearance and scientific angles to maximise light permeability throughout each apartment.

The design ensures breathtaking view from every internal space, without having to compromise on privacy.

The most attractive point is you only need to step out the compound, then you can practice or exercise at a world class golf club.

A further enhancement to easy life of Loresho greens, a superior range of leisure. The leisure facilities include 25m swimming pool, a fully equipped gym, central gas supply and a Borehole, Two Back Up Generators, Access Control System, Surveillance Cameras so as to provide convenience and safety in life.
